Background Information:

The Board of Education is authorized to promulgate regulations pursuant to §22.1-16 of the Code of Virginia. The last revisions to the Regulations Governing Secondary School Transcripts were made by the Board of Education in 2001.

The Regulations Governing Secondary School Transcripts are composed of the following sections: Definitions, Effective date, Format options, Profile data sheet, Advanced-level courses, and Elements for weighting. Changes in federal and state law have necessitated changes in other Board of Education regulations that relate to these regulations governing secondary school transcripts. The Regulations Governing Secondary School Transcripts must be revised to maintain clarity and consistency with the Regulations Establishing Standards for Accrediting Public Schools in Virginia, and applicable sections of the Code of Virginia.
Summary of Major Elements:

A summary of proposed changes to the secondary school transcript regulations includes:

1. Changes to the definitions section to provide clarity and to ensure that terms are defined in the same manner as other Board of Education regulations.

2. Revision of the effective date of the regulations.

3. Revision(s) and additions to the information required on the transcript.

4. Revision(s) to the required information on the profile data sheet.

5. Revision of sections concerning the weighting of advanced-level courses to ensure that they comport with other state requirements.

Superintendent's Recommendation:

The Acting Superintendent of Public Instruction recommends that the Board of Education waive first review and authorize staff of the Department of Education to proceed with the requirements of the Administrative Process Act. In addition, the Board may wish to authorize the department staff to make minor technical or typographic changes as necessary.

Impact on Resources:

The impact on resources for the revision of these regulations is not expected to be significant.

Timetable for Further Review/Action:

The timetable for further review/action will be largely determined by the requirements of the Administrative Process Act.
Proposed Revisions to

CHAPTER 160
SECONDARY SCHOOL TRANSCRIPT
(8 VAC 20-160-10 et. seq.)

February 15, 2006
CHAPTER 160
SECONDARY SCHOOL TRANSCRIPT.

The following words and terms, when used in this chapter, shall have the following meanings, unless the context clearly indicates otherwise:

"Accelerated course" means a course that can be completed in less than the normal amount of time; the process of progressing through the school grades at a rate faster than that of the average student, either by skipping grades or by rapidly mastering the work of one course and moving on to the next higher course.

"Advanced-level courses/programs” means those academic, career/technical, fine and performing arts, or interdisciplinary high school courses/programs that enable students to acquire and master advanced knowledge. Such courses may be suitable for weighted credit in order to encourage students to take these courses and to be rewarded for the extra endeavor and academic performance these courses/programs require.

"Advanced course" means a course that presents material and concepts beyond the introductory or the elementary; a course that carries on from an introductory or elementary course given in the same school.

"Advanced Placement (AP) course" means an advanced-level course with a syllabus equivalent to the relevant Advanced Placement syllabus disseminated by the Educational Testing Service The College Board.

"Assessment component” means any of the means by which one obtains information on the progress of the learner and the effectiveness of instruction; quantitative data, objective measures, subjective impressions, tests, and observations may all serve as instruments for deciding whether instructional objectives have been attained.

“Certificate of Program Completion award date” means the date when a certificate of program completion is awarded. A Certificate of Program Completion is not to be included as a diploma option.

“Commonwealth College Course Collaborative (CCCC)” means a set of approved courses taken in high school that fully transfer as core requirements and degree credits at Virginia colleges and universities.

"Credit” means a Standard or a Verified Credit as specified in Regulations Establishing Standards for Accrediting Public Schools in Virginia (8 VAC 20-131-10 et. seq.).

“Credit Summary” means the number of courses successfully completed in each discipline as required for graduation.
"Curriculum" means an official guide prepared for use by administrators, supervisors, and teachers of a particular school or school system as an aid to teaching in a given subject or area of study for a given grade; includes the goals and objectives of the course, the expected outcomes, assessment component, and the scope and nature of the materials to be studied.

“Dual enrollment course” means a course that carries both high school and college credit.

"Grade point average" means a measure of average scholastic success in all high-school-credit-bearing courses taken by a student during a certain term or semester, or accumulated for several terms or semesters; obtained by dividing grade points by number of courses taken.

“Graduation Date” means the date when diploma requirements have been met and a diploma is awarded.

“Industry certification credential” means a career and technical education credential that is earned by successfully completing a Board of Education approved industry certification examination, a state issued professional license, or an occupational competency examination.

“International Baccalaureate (IB) course” means an advanced-level course with a syllabus approved by the International Baccalaureate Organization (IBO) and meeting the criteria offered through the IBO program.

"Honors course" means a course offered to academically advanced students to provide opportunities to study and learn with other advanced students and to accelerate their learning in a specific content area. These courses are designed to be more challenging by covering additional topics or some topics in greater depth, at the high school level, that limits enrollment to exceptionally capable students; provides for independent or tutorial work, places the responsibility for student progress more on the student than on the teachers, emphasizes reading and self-instruction.

"Secondary school profile data" means information given in a summary format of a particular secondary school, such as location, description, achievement data, definition of curriculum, grading scale, grade distribution, weighted grades, rank in class if a ranking procedure is used, graduation requirements, and explanation of advanced-level, accelerated, advanced placement, honors courses, industry certifications, and other specialized programs.

"Secondary course" means a high school-level course of study that awards high school credits to meet graduation requirements. In addition to providing content and knowledge, secondary courses encourage students to develop higher level thinking skills such as problem solving, critical analyses and syntheses of idea. Students are encouraged to understand, appreciate, and formulate ideas related to scientific, technical and social concepts, course of study planned especially for people of ages approximately 12 to 17, in which the emphasis tends to shift from mastery of basic tools of learning, expression, and understanding to the use and extension of the tools in exploring areas of thought and living, and in exploring and acquiring information, concepts, intellectual skills, attitudes, social, physical, and intellectual ideas, and habits, understanding, and appreciation.
"Secondary school transcript" means an official list of secondary courses taken by a student except those purged from a middle school record in accordance with (8 VAC 20-131-10 et. seq.) Regulations Establishing Standards for Accrediting Public Schools in Virginia, showing the final grade received for each course, with definitions of the various grades given.

"Weighted course" means advanced placement, advanced or honors level courses, an advanced-level course in which credit is increased as determined by local school board policies and defined on the school profile, usually by reason of quality of work accomplished.

8 VAC 20-160-20. Effective date.

The secondary school transcript regulations shall become effective with seventh grade for students who take secondary courses for credit in 2007-2008 beginning in the 1988-89 school year.

Localities have two options for the secondary school transcript format. They may use the Department of Education model or develop their own following board regulations. Localities may also use a digital data exchange format for electronic transcript transmission at such time as one is adopted by the Department of Education. Transcripts developed locally shall be approved by the Department of Education. No standard format is required. The accreditation status of a high school shall not be included on the student transcript provided to colleges, universities, or employers.
