The recommendation for approval of the projects on Attachment A is in accordance with the Code of Virginia, Chapter 10, Section 22.1-146, which authorizes the Board of Education to make loans from the Literary Fund for the purpose of erecting, altering, or enlarging school buildings. The second step can occur only after Departmental receipt of final plans and specifications per Section 22.1-140 of the Code of Virginia, coupled with a written request to the Department for release of funds, with the latter request also requiring Board approval.
