Proposed Procedure for Appointment of a School Division Superintendent by the Virginia Board of Education

In the event that a school board fails to appoint a division superintendent within the time prescribed by Sections 22.1-60 and 22-1-61 of the Code of Virginia, the Virginia Board of Education shall appoint the division superintendent. The proposed procedures for the appointment of such division superintendent by the Virginia Board of Education shall be as follows:

1. An individual appointed as a division superintendent must hold a valid division superintendent license issued by the Virginia Board of Education prior to the appointment.

2. The Virginia Board of Education shall appoint the division superintendent if the school board has not appointed the division superintendent within 180 (calendar) days after a vacancy occurs. However, in the event a school board appoints a division superintendent in accordance with the provisions of Section 22.1-60 of the Code of Virginia and the appointee seeks and is granted release from such appointment prior to assuming office, the school board shall be granted a 60-day period (calendar days) from the time of release within which to make another appointment.

3. A school board that has not appointed a superintendent within 120 (calendar) days of a vacancy shall submit a written report, containing at least a status report with a timeline for making the appointment prior to 180 (calendar) days, to the Superintendent of Public Instruction demonstrating its timely efforts to make an appointment.

4. The school board immediately shall notify the Virginia Board of Education, in writing, of its failure to appoint a division superintendent within the time prescribed by Section 22.1-60 of the Code of Virginia. Within 30 days after the time prescribed by Section 22.1-60 of the Code of Virginia for the local school board to appoint the division superintendent, the school board must submit in writing its preferred candidates, not to exceed three, for the division superintendent position. The Virginia Board of Education may consider these candidates and other eligible individuals. The Virginia Board of Education may authorize the State Superintendent of Public Instruction to conduct the search for a division superintendent.

5. The Virginia Board of Education shall appoint a division superintendent, and the contract for the superintendent shall be negotiated by the school board.

6. The Board of Education shall appoint the school division superintendent for an initial term of not less than two years or more than four years (contract periods).
